

## The 3rd Asia Exhibition of Innovations and Inventions Hong Kong A Resounding Success Over 110 International Entries Competed for 46 Awards

**[8 Dec 2023, Hong Kong]** – Steered by the Hong Kong Exporters' Association (HKEA), partnered with Palexpo, Geneva, and with the concerted efforts of the Advisory Committee and the Main Judging Panel, the 3<sup>rd</sup> Asia Exhibition of Innovations and Inventions Hong Kong (AEII) concluded successfully today.

The AEII was held from 7-8 December 2023 at the Hong Kong Convention and Exhibition Centre. The Exhibition featured over 110 inventions from Hong Kong, Mainland China, Russia, Korea, and Thailand, in competition for awards, including 38 Gold Medals, 3 Inventions Geneva Awards, 4 Special Awards and the Grand Award, which were presented at the awards ceremony today. The award winners were selected by a 22-member Jury Panel presided by Mr. David Taji, who has served as the President of the Jury of Inventions Geneva.

“The 3rd Asia Exhibition of Innovations & Inventions Hong Kong holds significant importance in showcasing the innovative ideas, groundbreaking technologies, and remarkable creative talent emerging from Hong Kong and across Asia. It serves as a unique platform for the exchange of knowledge and acts as a catalyst for fostering partnerships among the brightest minds in the region.” said Mr. Eric Sun, Chairman of HKEA.

Mr. Vincent Ma, MH, Project Convenor of AEII and Vice Chairman of HKEA, was greatly impressed and believed that the winning entries had great market potential and the ability to create significant benefits for the technological, social, and economic development of Hong Kong.

Speech by Mr. Claude Membrez, CEO, Palexpo SA

Mr. David Taji, the President of the Jury, Inventions Geneva, praised the high standard of the entries and expressed that this year's awardees had leveraged their expertise not only in pursuing innovative technologies to advance the frontiers of industry, but also in proactively converting their creative ideas into practical solutions.

Mr. Eric Sun, the Chairman of HKEA and Mr. Claude Membrez, CEO of Palexpo, SA presented the Grand Award to io.net,inc. to commend their outstanding invention.

### **About Asia Exhibition of Innovations and Inventions Hong Kong (AEII)**

The Asia Exhibition of Innovations and Inventions Hong Kong (AEII) is the Asia's annual exhibition cum competition exclusively devoted to innovations and inventions from Asia to be hosted in Hong Kong, by partnering with Palexpo, Geneva, organizer of the International Exhibition of Inventions Geneva.

After 3 years, the event is finally back to Hong Kong physically. Riding on the success the events in 2018 and 2019, and under the advocate of government policies, AEII 2023 will once again be the spotlight on best innovations and inventions uniquely from Asia. Through exhibition and competition under one roof, global experts, inventors in industry will showcase their breakthrough and versatile inventions and solutions to the world. Along with HKTDC events, the Entrepreneur Day (7 - 8 December) and the Business of IP Asia Forum (7 - 8 December) will generate synergy to benefit the community for valuable idea exchanges and unlimited new opportunities.
